

**Sale Name:** #6red2025

**LOT 305 - 15 rolls of random date Lincoln wheat pennies. 750 total pennies.**

#### Description

15 rolls of random date Lincoln wheat pennies. 750 total pennies.

The seller consigned many more rolled and loose pennies than we are selling in this auction. In fact, he brought in a bucket so full of loose pennies we couldn't lift it.

He told AAA that he did not sort the pennies. AAA Auction sorted enough to conclude that in our opinion there is a

normal mixture of dates from every decade.
